

HERE IS YOUR INVITATION TO MAKE A DIFFERENCE!

A Call to become a Commissioned Discipleship:

The Vision of His Commission Given to Shepherd Lambur

The Challenge Of Making A Difference:

In contemporary society, traditional church models are facing significant challenges, with a striking 5% of congregations in the United States actively engaging in disciple-making. This alarming statistic highlights a pressing need for innovative approaches to spiritual engagement. In response to this need, Shepherd Lambur, a leader of a burgeoning fellowship, has articulated a compelling vision aimed at revitalizing the church's mission of discipleship.

The Fellowship's Mission:

Characterized as a small yet ambitious start-up, this fellowship is committed to transforming the current landscape of spiritual engagement. At the heart of its mission is the goal to equip individuals to become "Commissioned Disciples," who actively reach out to others, fostering meaningful connections with Yahshua Jesus. Recognizing the urgency of the spiritual harvest, which they describe as "ripe" for engagement, the fellowship aims to mobilize its members to participate in this vital endeavor.

Establishment of The School of Acts:

A cornerstone of this initiative is the establishment of the School of Acts, designed to prepare members for their mission. This educational framework not only seeks to glorify Yahshua Jesus through active participation in the spiritual harvest but also emphasizes the honor of being chosen to represent Him to those who are yet to encounter His message. The curriculum is rooted in the Acts Blueprint, which provides a structured approach for members to engage in effective disciple-making.

Weekly Meet-Ups and Leadership Development:

The fellowship organizes weekly meet-ups in small group settings, offering participants opportunities to connect with one another, share their personal callings, and develop essential leadership skills. These gatherings serve as platforms for engaging in studies and discussions, supplemented by instructional videos that enhance the fellowship's reach and impact within the community.

An Invitation to Participate:

Shepherd Lambur extends a heartfelt invitation to individuals who feel drawn to this mission, encouraging them to prayerfully consider their involvement. The fellowship firmly believes that every member of the body of Messiah has been entrusted with a divine mandate, and that each individual possesses the potential to effect significant change during this pivotal time.

Cultivating Future Leaders:

As the fellowship continues to grow, it seeks to cultivate leaders capable of multiplying their efforts across the region. The urgency of their mission is underscored by the belief in the imminent return of Yahshua Jesus, making the commitment to discipleship more critical than ever.

Conclusion:

In conclusion, the call to action is unequivocal. The fellowship seeks individuals who are willing to step forward, embrace their calling, and contribute to Messiah's transformative mission. For those interested in learning more about this vision and exploring opportunities for involvement, further information can be obtained through the fellowship's website or by contacting their office.

Shepherd Lambur would be delighted to engage in further discussions and get to know prospective members better. Together, through committed discipleship, there is a profound opportunity to make a lasting impact in the lives of many.
