

SAY A PRAYER FOR ME!

In today's world, countless individuals grapple with various illnesses and dysfunctions in their bodies. Many endure persistent pain, holding on to the hope of relief. Despite seeking help from medical professionals, some continue to struggle with their ailments.

The word "disease" tells a profound story—it means "dis-ease," reflecting a state of disharmony within our bodies. In Hebrew, the term for wholeness is "Shalom," which beautifully translates to peace. When our bodies are out of sync, there is one remarkable healer who can restore harmony: His name is Jesus. The Great Physician, Yahweh-Rapha, stands ready to heal.

As stated in Isaiah 53, "By His stripes, we are healed." Jesus came into the world to mend the broken and restore wholeness. This is a characteristic of the Kingdom of God come to earth. He said to pray "Thy Kingdom come, His will be done as it is in heaven so in earth." This speaks of the spiritual realm coming to us. Jesus empowered His disciples with the command to lay hands on the sick, promising that they would recover (Mark 16:16-17).

The person who shares this message with you is a devoted commissioned disciple of Jesus, eager to pray alongside you and join in your journey towards healing. If you ask them to "Say a Prayer for Me," they will lift you up in prayer in this moment and continue to pray for your restoration. Know that Jesus cares deeply for you and loves you immensely. He has assigned believers to pray so people can receive His recovery. All things are possible for those who believe! Say "Yes Lord, I Receive My Healing!" Your path to wholeness is a matter of your trusting in Him in this way. Through faith and patience we receive His promises. May His blessing be upon you this day!
