## **UNDERSTANDING THE SPIRIT OF GOD**

By Shepherd Lambur

### **The Commission Of Living Substance**

Most people don't understand that the Spirit of God is a tangible substance, the essence of God's very own being!

We ourselves are made up of a composed substance of earthly materials, a composite of water and earth. The word human comes from the word humus. Actually, we are sixteen buckets of water and one full bucket of earth. We also know that water is a composition of gases.

Now the composition of the personality of God is that God is a Spirit and a being and substance. Continuing upon this theme all heavenly things are of spiritual substance. The body of the angels is a substance, not of the same character as our own, for they are of heavenly materials. In other words, heavenly things are made of heavenly materials.

### **Communication By His Spirit To Our Spirit Man**

God is Spirit therefore those who worship Him must worship Him in Spirit!

So, the spirit of man must contact and know God by his spirit! We don't know God by our flesh, or by our brains. God can only be known by our spirit man within us. The knowledge of God that our spirit attains may be conveyed to us through the medium of our minds and our brains. The effect of God in our body comes through the medium of the spirit of man through the mind of man into the body of man.

### **The Quickening**

There is a quickening by the Spirit of God to our spirit. So, that comes through a man's body, a man's soul, a man's mind all alike becoming blessed, permeated, and filled with the presence of God Himself in us. We acknowledge then that God is real, and that we can perfectly trust Him to guide us. The medium by which God undertakes to bless the world is through the "Transmission" of Himself. Now the Spirit of God is His own substance, the substance of His being, the very nature and quality of the very presence and being and nature of God!

### **Transmission And The Abundant Life**

When we receive speech being transmitted from God to man, into man, the living substance of God; His living substance is actually being transmitted, imparted coming from God into your being. [Praise God!] This is the secret of living the abundant life of which Yahshua spoke saying, [*paraphrase*] I am come that you may be a recipient of My LIFE [you experiencing Him being in your person] that you may receive life, more to its fullness! This is the abundant life with God dwelling within you, receiving God into your being all the springs of our being are quickened by His living presence!

Consequently, if we are living today and receiving from God, we live life in a full measure, we live life with a greater energy because we have become recipients of the energy of the living God. In addition to our normal energy, through the reception of His being, His nature, His LIFE comes into ours.

### **Transformation Anointing Through A Life Indwelling**

When Yahshua's radiant light and eternal life came into dwell in a person's life there

begins a powerful transformation. You see, His very substance, the substance of God, comes into our life and changes everything! Because of receiving the Messiah, now His life dwells within transforming us! He dwells within you enlivening you; His spiritual substance makes all the difference. He has been raised for you to be raised.

That is the power of His Spirit comes to dwell in you. When you have come to faith, He dwells within; you become seated with Him in the realm of the Spirit. The recipient receives from the light, glory, and glistening upon each face because we were made to be “Imagers” of Him bearing His fruit and gifts in our lives recovering the original reason for our existence; a God-given re-instating of our purpose and identity. God demonstrates man’s capacity because of receiving the substance of the life of God within them so that receivers can be revealers of God in a dark and fallen world without His Live Giving Substance!

### **The Tangible Divine Presence**

According to the Bible, this substance of His Spirit Anointing, the Spirit of the Living God can pass through matter. We understand that according to God’s word the fourth dimension spirit realm created the third dimension and the fourth dimension has power over our nature law, this is why Yahshua was able to walk on water, because the water wasn’t holding Him up, but He was holding the water up!

This was through the power that holds the cosmos together by His word! This very substance which cured the woman with the issue of blood, and the life giving substance these handkerchiefs and aprons contained were sent by Apostle Paul to be deliver to people was saturated with the tangible power of God’s resonate Spirit of LIFE! This extraordinary living essence of God’s LIFE impregnated into these clothes was carried and cured people because of the laying on hand methods taught by Yahshua to His disciples, and that anointing is still available today!

### **The Ministry Of The Spirit**

The ministry of all believers are called to be the ministers of His Spirit. They are not only ministers of words but depthly accurate words focused on the moment, these words are, “*a golden apple in frames of silver* *“delivery!* When ministers bring active **KAIROS WORDS** the Spirit of God, reveals *Yahshua within them and through them. This is Living Proof!*
